Dear Vorna Valley Residents

Wishing all our residents a good and happy 2021.

Highlights and Low lights of 2020

The VVRA LPR camera project goes live and has been running since March 2020. We are still looking for more sponsors, residents and complexes to help contribute towards the monthly running costs. Please email info@vvra.co.za no matter how small the amount is you would like to contribute.

Recycling with Phambili Services over the past 3 years was a tremendous success but Pikitup didn't extend Phambili's contact as there was no tender put out. Instead they awarded the contract to Indalo Fleet Solutions without a tender, to our knowledge. This division of Afrident was irregularly awarded the COJ fleet contract after alleged donations to the EFF. <https://amabhungane.org/stories/treasury-orders-investigation-into-joburgs-eff-linked-fleet-contract/> Those who would like to continue recycling with Phambili Services at R16/household per month ex VAT can email marianne@phambiliservices.co.za for more details.

The Vorna Valley Vlei rehabilitation started over 2 years ago but remains unfinished.

Load shedding returned.

Illegal taxi ranks, businesses, schools and advertising is a major concern and will be dealt with in 2021.

Upgrade to Allandale road with the bypass road Century Property Developments built went seamlessly as no road closure was necessary.

COVID-19 saw several businesses close and left many without an income. Several residents lost loved one's due to this virus.

Sewerage billing debacle leaves many complexes with bills of over R1,5M

Residents must remember that council officials and councillors' salaries come out of our pockets, so they should be working for us and not against us or not working for us at all. Let us remind them of this in 2021.

There is too much anger, resentment and hatred out there. We all make our own rules and never a thought for the next person. Rules are there to keep us safe and to keep our suburb clean and a good place to live in, and because rules are not being managed by SAPS, JMPD etc, doesn't mean we don't have to stick to the rules.

Sadly our essential services from council lack a lot of attention, and we watch as our roads deteriorate, sewerage contaminating our environment and our health, loss of precious water, street lights that often don't work, power failures due to old infrastructure, waste not being collected on time, the rise in crime, illegal schools and businesses opening up and plastering their illegal signs all over, no one stopping at stop streets and traffic lights anymore, and so the list goes on. We have become a lawless society, each to their own no matter how it affects others.

It is TIME we stand together and fight for a better and safer suburb. Any suggestions welcome!
